

Ghana National Chamber of Commerce

Mission

"To serve as the voice for the business community; promotes and protects the interests of members by fostering ethical practices in commerce, trade and services through advocacy, training, education and ensuring adherence to quality."

Vision

"To provide leadership for the growth and prosperity of businesses in Ghana."

The Ghana national chamber of Commerce and Industry is an association of business operators, firms and industries with interests spanning every sector of private enterprise in Ghana. As an advocacy organization, the GNCC was established with the prime objective of promoting industrial and commercial interest in the country.

The Chamber represents the voice of the business community with total commitment to playing a leadership role towards propelling Ghana's economy to higher heights.

To this end, the Chamber has and will continue to influence government policies which will be to the benefit of the private sector while promoting the overall development of the Ghanaian economy.

Objective

- The Chamber promotes Trade and Industry and also represents the opinion of the business community on matters affecting Trade and Industry in Ghana. It is incorporated as a non-profit making organization and its income and property are applied solely for the promotion of its objectives.
- It is the central organization for collecting, distributing and disseminating information of business nature, especially regulations, tariffs, opportunities for trade and other matters affecting local and foreign markets.
- In the pursuit of its objectives, the Chamber is non-racial, non-sectarian, non-political and gender friendly.
- The Chamber is affiliated with international acclaimed bodies like the Pan African Chamber of Commerce (PACCI), Federation of West African Chamber of Commerce & Industry (FEWACCI) and International Chamber of Commerce (ICC).
- Apart from its continuous efforts at promoting the collective business interest of its members, the Chamber provides customized services to individual members.
- Letters of introduction are issued to members to facilitate visa procurement for international travels.
- Numerous directories, trade journals and periodicals from virtually every country in the world are available to members in the Chamber's Library and Information Hub.
- Certificates of Origin are endorsed at a moderate cost to members. The service is also extended to non-members.

- The Chamber's Annual Report and Quarterly Newsletters are circulated in and outside Ghana.
- The Chamber's publications are among the leading works of reference and research on investment potentials in Ghana. Advertisement in the journals and directory is open to members of the Chamber and non-members alike.
- The Chamber is recognized as the official body through which opinion on commercial and industry matters can be presented directly to Government or other authorities, both national and local. It is frequently consulted by government in advance, on the preparation of new legislation affecting the business community.
- The Chamber organizes in-house and off-site skills and cognitive training workshops for members and non-members alike. In addition, it carries out consultancy services for members, especially on development of business plan, feasibility study, market research, etc. through its Business Education Service & Training Unit.
